

_INTERACTIVE
TRIANGULATION_

by Emilio Gomariz for TRIANGULATION BLOG

INTRO

INTERACTIVE TRIANGULATION es un nuevo espacio para TRIANGULATION BLOG. Se trata de animaciones Flash realizadas con una simple programación. Está orientado para entretener a los lectores de TRIANGULATION. Es una colección sin fin ya que se irán incorporando nuevas animaciones. Se puede jugar a pantalla completa clicando el símbolo más. Juega y diviértete con ellas!

EMBED

Copia y pega cada texto en el editor HTML del post. ATENCIÓN! Por favor debes de adaptar la animación a tu ancho del post, o web. Todas las animaciones tienen el mismo diseño, son cuadrados con la misma altura y anchura. Inserta la misma medida en los 4 sitios.

Por ejemplo: Si tu ancho del post son 550 px, hay que poner la misma medida en los 4 sitios;

```
<object height="550" width="550"><param
value="http://emiliogomariz.com/TRIANGULATIONBLOG/interactive/T001.swf"
name="movie"><embed src="http://emiliogomariz.com/TRIANGULATIONBLOG/interactive/T001.swf"
height="550" width="550"></embed></object>
```

TUMBLR

Seleccionar "Quote" y pegar los códigos en la caja Quote.

INTRO

INTERACTIVE TRIANGULATION is a new space for the TRIANGULATION BLOG. Embedded flash-based animations with basic programming aim to entertain Triangulation's readers. It is an endless collection which will gradually incorporate more animations. Enjoy full screen views by simply clicking the plus button.

EMBED

To embed the animations copy and paste each code into your HTML editor. Please note that you must resize the animation to your website's width. All animations have the same height per width ratio (square). Please adopt your size into these 4 spaces. I hope you will enjoy it and find it effortless in use.

For example: If your post width is 550px, put the same size into the 4 spaces;

```
<object height="550" width="550"><param
value="http://emiliogomariz.com/TRIANGULATIONBLOG/interactive/T001.swf"
name="movie"><embed src="http://emiliogomariz.com/TRIANGULATIONBLOG/interactive/T001.swf"
height="550" width="550"></embed></object>
```

TUMBLR

Select "Quote" and paste the HTML code on Quote box.
